

21st International Conference on Hydropower Plants – Vienna Hydro 2022
09 – 11 November 2022 Vienna / Conference Center of Laxenburg

Exhibition at the
21st International Conference on Hydropower Plants

We are pleased to announce the 21st occasion of the International Conference on Hydropower Plants that takes place from November 09th to November 11th 2022 at the Conference Center of Laxenburg. This conference has proved to be an excellent opportunity to get in touch with some of the most well renowned industrial and academic experts in the field of hydropower.

Accompanying the conference, there will be an exhibition for which all business and institutions related to the hydropower industry are cordially welcome. The exhibition venue is located next to the conference halls.

The following exhibition package (‘standard category’) is available at a rate of just **€ 2.490.-** **excl. VAT** :

- 1x exhibition **booth** (approx. **6 m²**)
- 2x **conference fees** for regular participants
- Credit of your company (including logo) on the **conference webpage** as well as in all **announcements** subsequent to your booking

Individual exhibition packages are on offer upon request!

We are delighted to having you at our conference here in Vienna.
